Pioneer Settler, Hugh Ross, 74 Dies In Chilliwack

Funeral services were held from the chapel of Henderson's Funeral Home, Chilliwack, B.C., on Saturday May 29 at 3 p.m. for Hugh Ross, who died on May 27 in the Chilliwack General Hospital, in his 74th year.

Mr. Ross homesteaded in the Hartman district 51 years ago and moved to Rosedale, B.C. nine years ago.

He is survived by his wife, Blanche at Rosedale; three sisters, Mrs. J. Manson, Hartman; Mrs. W. Milne and Mrs. R. Riddle of Winnipeg; one brother, Alexander, of Hartman; and several nieces and nephews.

Rev. J. H. Stark of Rosedale officiated at the services. Interment was in the I.O.O.F. cemetery.

TAKE A LOOK !!!

During the past few months we have sent renewal notices to some of our subscribers who are in arrears.

There are some who have failed to respond to these notices and as yet have not been crossed off our mailing list. We quite realize how a month or two can slip past without anyone but when it runs into years things start to get serious. Let's hear from the ones who are behind, otherwise we will be forced to pass you up.

REVUE SPOTLIGHTS: A revue of the year's work in dancing will be presented by Mrs. Florence Owens and her pupils in Olds this Friday. Guest artists from the Jack Taylor Studio in Calgary will be Kathleen and Margaret Jean MacDonald, who will do some advanced tapping rhythms. In addition they will go one number with Florence, making a three-sister trio.

Comedy is assured in an original

number performed by Donna, Shobottom and Jerry Maybank. "I'm gonna dance with the guy what brung me." Five-year-old Joan Colgan and Dennis Hawthorne will demonstrate the waltz, fox trot, minuet, polka and rumba. Two little boys from the deep south will revive the old Minstrel days.

These and many other items will combine to make a varied and interesting program.

REDEEMER LUTHERAN LADIES' AID REGULAR MEETING

The June meeting of Redeemer Lutheran Ladies' Aid opened with Hymn 535, followed by a scripture reading and prayer. Roll call was answered by 12 members; one visitor was present.

The treasurer reported a sum of \$204.39 on hand.

It was decided to have a smorgas-

Early Morning Fire Completely Destroys Prevost Motors Garage

Sidelights of the Friday Fire

Mr. M. Waldroff was a loser in the big blaze as the new trailer truck he had driven back from Windsor recently was totally destroyed. He had brought the machine in the previous day for a routine check-up.

The company safe, about the only thing which was salvaged, was opened Monday and all records were found to be intact.

Like most calamities, there is usually a little humor mixed up in the shuffle and the Friday fire was no exception. A number of people who try to disguise the fact they have false teeth were definitely caught with their molars out.

One very energetic, but sleepy fireman was assisted by his wife in finding his clothes, etc. in the short time possible. Between them they got a bit mixed up. He ended up on his way to the fire with two coats on and his pants over his arm. We won't tell you who it was, but the initials are J. A. Tugue (Whoops!).

The number of people present with night attire on reminds the writer of an instance on the south coast of England during the last war. A land mine dropped a block or so from our billets and we took off with issue underwear, a greatcoat and boots, to see what help we could give. After the injured were attended to a kind lady asked a few of us for tea and cakes. 'Twas then we realized just what we were garbed in. (No tea, no cakes).

EAST NOTES

(From Our Own Correspondent)

LEGION AND AUXILIARY PLAN SOCIAL EVENING

The Didsbury Branch of the Canadian Legion and the Ladies' Auxiliary will entertain the district veterans and their wives at a whist and bridge party and social evening following their meeting on Thursday, June 24th. Invitations have been mailed to those veterans whose names have been handed in to the Legion, but the list is not complete. Any veteran who does not receive an invitation is cordially invited to attend the music and the social evening to follow.

Husbands of auxiliary members who do not belong to the Legion are also invited.

The meeting of both branches will begin at 8:30 promptly and will be held in the Lions hall and Masonic banquet room.

Members of the Legion Auxiliary are asked to bring card tables, cards and covers for their tables for the social evening following the meeting.

CREMONA NEWS

(From Our Own Correspondent)

Col. and Mrs. Wm. Eadie of London, Eng., are visiting with their daughter and son-in-law, Mr. and Mrs. George Whitlow and family, and Mr. Eadie. They are renewing many acquaintances and on Monday, June 14 spent a pleasant day in Banff, accompanied by Mr. and Mrs. B. Reid and Mrs. Whitlow. While in this area they are staying at the home of Mrs. M. B. Reid.

Mr. and Mrs. O. Bartholomew of Deep River, Manitoba, were recent weekend visitors at the home of Mr. and Mrs. Bill Diney and family.

Mr. and Mrs. Russell Gillis and Danny left on Saturday evening, June 5, for Nova Scotia, where they will holiday for a month at the home of relatives. Prior to their leaving they were honored at a surprise farewell party.

Mrs. C. H. Waterstreet visited on Sunday last with her daughter, Mrs. G. Lalonde, Edward and Paul, at Crossland.

CHOIR AND ORGAN RECITAL AT REDEEMER LUTHERAN

Redeemer Lutheran Church cordially invites you to attend the choir and organ recital to be held at the church on Sunday, June 20, beginning at 8:00 p.m.

The guest choir will be from Mt. Calvary Lutheran Church, Calgary. Under the direction of Mr. D. Stuart Kennedy, choirmaster and organist. The choir will sing the following anthems: "A Mighty Fortress is Our God," "Gracious Lord of All Our Being," "The Lord is My Shepherd," "Evening and Morning," "The Day Thou Gavest, Lord is Ended," and "Christ the Life of All the Living."

The assembled congregation will also join in three hymns of the Vesper service.

Following the service and choir anthems, Mr. Kennedy will play a number of selections on the pipe organ, introducing each number to acquaint the audience with the music and organ. Amongst the organ selections will be "Trumpet Tune and Air" by Henry Purcell, "Gavotte" by Samuel Wesley, "Toccata and Fugue in D Minor" by Johann Sebastian Bach, "The Musical Clocks" (March, Song of the Quail, Menuet) by Franz Joseph Haydn, and "Vision" by Joseph Hebenacker.

Redeemer Lutheran regrets that this recital falls on a Sunday evening and may interfere with other events; however, if you find it possible to attend, we would enjoy your presence.

FALLEN TIMBER

(From Our Own Correspondent)

We are sorry to hear that Ricker Admussen has been quite ill, but glad to report that he seems to be on the mend now.

Visitors at the home of Mr. and Mrs. H. H. Hogg Sunday were Mr. and Mrs. G. Admussen and family, and Mr. Keith Cooper.

Mrs. O. Moore has returned to Calgary after spending a two-week holiday at the home of her son and daughter-in-law, Mr. and Mrs. Bob.

One of the worst fires here in years completely demolished the premises occupied by Prevost Motors in the early hours of Friday morning. The building and contents are a total loss.

The blaze was spotted at approximately 2 a.m. by Mr. Al Engwer, who was returning from a trip to Calgary. Minutes after the alarm was turned in members of the local fire brigade were on the scene, but it soon became apparent that the fire had too much of a start to save the building.

Fortunately there was no wind to speak of and a heavy mist aided firefighters in saving the adjoining buildings and lumber yard.

Heavy explosions inside the structure blew windows, walls and debris as far as 50 yards in all directions. No one was injured.

At one point, when there was fear of the situation getting out of control, a fire engine from the Olds Fire Brigade, who responded with two trucks.

Loss in the blaze is estimated at between \$65,000 and \$70,000 and was only partially covered by insurance.

Used cars and trucks, which normally are parked in the lot, had been moved to a point some distance from the building while graveling operations were under way around the lot.

At present operations are being carried on from the body shop, which was undamaged, and future plans, as yet in the infant stage, will be announced later.

Mr. and Mrs. Prevost were on a short holiday in the U.S. at the time and were not notified of the mishap until late Saturday.

Melvin Institute June Meeting

The Melvin W.I. met last week at the H. Fischer home. Roll call was "Say Something Nice About Your Neighbor", and home economics for the month was given by Mrs. L. Chandler.

Mrs. R. Shantz, citizenship convener, gave a splendid paper on "It's Great to Be a Canadian." The short topic was given by Emily Pulkerth, who chose as her subject "From Log to Aluminum," an interesting survey of building bridges.

Plans were discussed for the educational tour in July, and a committee was appointed to make final arrangements.

Mrs. H. Fischer was in charge of the entertainment and produced much merriment with a new kind of team speech making.

The hostess served a delicious lunch at the close of the afternoon.

Curtailed C.P.R. Train Service In Effect July 1st

Effective July 1st, the Canadian Pacific Railway will remove two passenger trains which normally service Didsbury. One will be the north-bound train which reaches Didsbury at 11:24 and the other will be the southbound that passes here at 5:02 p.m.

Last week, Mr. L. R. Smith, superintendent of the Calgary sub-division stopped in Didsbury to discuss the proposed service with officials here to express service to Didsbury will be speeded up, according to Mr. Smith and Mr. C. R. Darough, district representative of the Canadian Pacific Express Company, who also made the trip. This speed-up is to be accomplished by putting all express on the evening and night trains.

In other words, the train that services Didsbury at 6:16 in addition to carrying mail, will carry express which will be put in the train by the train crew and will be delivered in town the following morning.

The same procedure will apply to express that will now be carried by the midnight passenger.

Mail service in Didsbury will be maintained by a truck service originating in Calgary and Edmonton to replace the trains that are being withdrawn from service. Tenders for this truck service have already been called.

Mr. A. K. Stewart, district passenger agent of Calgary, was also in attendance and off the record discussed other changes that may take place in passenger services along this line. These changes are in the future but will be a starting change from the present mode of railway transportation as we know it.

No time changes in the present schedule are to take place immediately except that the two trains mentioned above will not operate after July 1.

BERGEN NOTES

(From Our Own Correspondent)

Mr. and Mrs. Fred Metzger and Linda attended the silver wedding anniversary celebrations of the former's sister and husband, Mr. and Mrs. Paul Rutz, in Red Deer on Saturday.

A capacity crowd attended the dedication service at the United Missionary Church on Sunday.

Mrs. Earl Louchard has been staying with her mother, Mrs. Eddie Adams, who has been ill.

Bobby Clarke was home from Manville for several days.

Freddie Moore of Hartman has purchased the old Gamble ranch in Niche Valley from Mr. Hendrix. He has moved a sizeable herd of cattle to the ranch. The former occupants, the Remnie family, have moved to Sundre.

Newcomers in the district are the Cough family who have moved here from East Coulee.

Late but sincere congratulations go to Mr. and Mrs. Les Ross, who are the proud parents of a baby girl.

Percy Blinn has left for Nordsee, where he will cook for a geophysical survey crew during the summer.

Got those cost-of-living blues?

Most people seem to have them these days. Prices have gone up and up ... food, housing, just about anything you can think of.

But gasoline has tried hard to keep its feet on the ground ... and with some success ... 119%.

Because while wholesale prices in general are up 119%... more than double what they were before the war... Esso gasolines across Canada are up only 42%... about a third as much as most other things.

Here in Alberta, Esso is up even less.

At Edmonton for instance, the wholesale price is only 14% higher than pre-war.

Through The
Study Window

By REV. C. C. ARMSTRONG

This year, for the first time in the
history of the Red Deer Presbytery,
a Japanese student missionary is
serving a white congregation. A
Christian minister, of Chinese ex-
traction, is working with a white
congregation in South Alberta, and
a white minister is in charge of a
Chinese congregation in the Calgary
Presbytery.

This is a most interesting develop-
ment in Church life, in this country.
Negroes, Chinese, Japanese, have not
always been too welcome in this
country, although Canada has not
been marked by the same acute
racial barriers as are found in the
U.S.A. In our own land, the divi-
sions have been little publicized,
creating the impression that on the
whole we are a broad-minded and
tolerant people when it comes to
inter-racial relationships. Perhaps
the fact that we have Japanese,
Chinese and Negro ministers is a
sign of spiritual health.

Nevertheless, there are those who
view this development with thank-
fulness, yet believe that it is not
conclusive proof, for while isolated
"individuals of another race can
mingle quite freely amongst a domi-
nant racial group, any approach to
numerical equality is almost invari-
ably accompanied by inter-racial
friction. The mere fact of being
Canadian is not the cause of racial
harmony, nor is it the guarantee that
all is well. It is not the country we
happen to live in, but the spiritual
forces that are alive (or dead) that
will determine whether or not dif-
ferent races and groups can mingle
harmoniously.

Dr. James Welch, professor of re-
ligious studies at the University Col-
lege at Taran, in Nigeria, tells us
that Communism does not have the
answer to racial matters, for the
philosophy of communism shows no
respect for human personality, and
individuals to the communist, do not
matter. All is grim that comes to
their mill. He adds that the Christian
approach to the matter of race is
quite different. "Underneath the
race prejudice consciously practised
by some who think themselves Chris-
tians, unconsciously by others, the
Christian Gospel as it entered the
world of the first century was essen-
tially personalist, and essentially
without racial and color prejudice.
In essence authentic Christianity
says three things: there are no su-
perior and inferior races; the mes-
sage of Christianity is for all peo-
ple, not for an exclusive group; and
in Christianity there must be no
racial and color divisions; — nei-
ther Jew nor Greek, but also neither
bond nor free."

He goes on to say "It is no use
whatever for Christians to claim that
they have a way of life, a philosophy,
which is essentially personalist, if
they cannot believe in a genuinely
personal way to the foreigners who
come to their country."

The church is not simply a melting
pot for different races. It is that,
but one is flavored, and distinctively
so, with that one essential ingredi-
ent, the spirit of Christ.

AGRICULTURAL
SERVICE
BOARD
NOTESW. K. Snyder
Field Supervisor

Grass Those Roadsides: It is still
the policy of the Municipal council
and the Agricultural Service Board
to seed grass on the roadsides and
backloped ditches as soon after the
leveling and working down of the
ground is completed.

We are anxious that this be done
as soon as possible after the ground
is prepared. A good grass cover will
serve several purposes. It will pre-
vent to a large degree the growth of
weeds. It will tie down the soil so
that subsequent flooding and run-
offs will not cause gullying and soil
erosion. It will also provide hay or
pasture for livestock. There is a de-
cided advantage which ever way you
look at it to have the road sides
grassed down.

We supply Creeping Red Fescue
and free of charge for this purpose.
If you are willing to undertake the
seeding down of the roadside adjoining
your property and will call in at the
Municipal Office, telling us of the
location, we will be very happy
to give you sufficient seed to do the
job.

Tree planting has had to be tempo-
rarily discontinued because of the
excessive rain and water-logged
ground. We still have trees to plant
on about six more farms. If you
are waiting for the tree planter
please be patient. As soon as the
weatherman co-operates we will be
out to finish the job. If your
trees or cuttings are "heeled in"
they will be all right for quite some
time. We are just as anxious to get
them planted as you.

CHRISTIAN SCIENCE

Is the universe, including man,
evolved by atomic force? will be the
subject of the Lesson-Sermon at
Christian Science services Sunday.
Man's dominion over all materiality
is stressed in the readings from the
King James version of the Bible as
well as those from "Scriptures"
by Mary Baker Eddy.

The Scriptural selections include
the account as given in Matthew
(14: 22-32) of how Christ Jesus and
Peter walked on the sea. Readings
from Science and Health include the
following: "In proportion as matter
loses to human sense all entity as
man, in that proportion does man
become its master. He enters into a
diviner sense of the facts, and com-
prehends the theology of Jesus as
demonstrated in healing the sick,
raising the dead, and walking over
the wave."

All these deeds manifested Jesus' control
over the belief that matter is
substance, that it can be the arbiter
of life or the constructor of any form
of existence. (369: 5).

The Golden Text is from Psalms:
"God hath spoken once; twice have
I heard this; that power belongeth
unto God" (62:11).

DISTRICT NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

President Taylor has completed his evangelistic services in the Bergen church. One might have supposed that the rainy weather would have made such meetings impossible, but the attendance was quite good considering this, and the results of the meetings most profitable to the community. On Sunday afternoon the formal dedication of the new church was accomplished. Rev. H. A. Traub was the special speaker and those who had been former pastors and were in the community took part also. These were, Mrs. Lydia Suder, Rev. H. Edwardson, Rev. E. G. Archer. The new church is worth seeing, and any one who may be in that community over a weekend should try to attend a service there.

Miss Keintrath, missionary in Columbia, and Miss Eby, were supper guests at the home of Mrs. Lydia Suder Saturday evening. During the course of the evening Mr. and Mrs. Taylor brought their recent choir and college slides and showed them there. They are most interesting.

Gravel is being hauled for the new root cellar on the college grounds. The Alumni Association, in their spring meetings, took this as their year's project. It will be built at once.

Mr. and Mrs. Arthur Eby, accompanied by Rev. and Mrs. Ray Shantz, took Miss Keintrath to Banff Monday. This young woman is visiting Alberta for the first time and is most interested in seeing the Rockies.

Word has been received that Wayne Kasey has undergone an operation since returning to his home in Bellingham. We hope that he will recover speedily so that he and his wife can return to college next winter.

Mr. Taylor and Edward Oke will be holding meetings in the Galahad United Missionary Church beginning this coming Sunday. Mr. Taylor and the family will accompany them.

Mrs. Kirk, who has been doing part time teaching in the music department of the College for the last couple of years, gave a recital for her students last Saturday afternoon. The four pupils invited their friends and the mothers also attended. It was held in the music studio.

Lone Pine W.I.
June Meeting

Due to poor road conditions, the June meeting of the Lone Pine W.I. was held at the home of Mr. Fred Metz, with Mrs. A. Patterson as hostess. Sixteen members and one visitor were present. Roll call was to name an item on the pantry shelf and tell where it came from.

A \$500 donation was made to the Canadian Arthritis and Rheumatic Society and \$22.51 to the Didsbury Senior Citizens' Home.

Mrs. Roy Dowell and Mrs. J. Neilson were named as delegates to attend Farm Women's Week in Olds. Mrs. Sam Elliott gave the agricultural report. She chose as her topic the new type of lawn grass which is being developed in Australia.

The "bit of fun," given by Mrs. S. Elliott was won by Mrs. A. Patterson. The 10-cent draw netted \$2.50 and was won by Jeannie Neilson. Mrs. P. Schumaker conducted an auction sale which realized \$15.75.

The July meeting will be held on the 7th at the home of Mrs. C. Morison, 242 24th Ave. N.W., Calgary. Those members that can attend are asked to meet at St. George's Island for a picnic dinner at 12 noon.

JEW'S PREACH CHRIST

Hebrew Christian radio preacher and missionary, Rev. Edward D. Brotsky (above), will tell thrilling experiences of Jewish believers in Christ. Radio gospel singer, Hattie Williams, in person. Be sure to hear electrically recorded Jewish voices for Christ at the Moravian church, 12 miles west of town, on Sunday, June 20, at 11 a.m. and 2:30 p.m.

Seven Point
Program Is
Recommended

Here are the seven points of the highway safety program considered by the representatives to the premier's highway safety conference. These recommendations include the main measures necessary to curtail street and highway accidents:

1. Laws and Ordinances: Uniformity, insofar as it is possible and practicable in provincial and municipal laws and regulations is recommended.

2. Accident Records: It is recommended that traffic accident reports be collected and that full use be made of these records in guiding highway safety activities.

3. Education: It is recommended that Alberta schools, at all levels, conduct traffic safety programs which will give adequate guidance in accident prevention and which will prepare them to shoulder their future responsibilities in a motor age. Education for safety is an essential part of the modern school's program for producing good citizens.

4. Enforcement: It is recommended that the province and municipalities conduct continuing traffic-law-enforcement programs of the type which will induce maximum voluntary observance of driver and pedestrian regulations, by creating adequate deterrence to violations.

5. It is recommended that engineering principles and techniques for the elimination and reduction of physical hazards and for the safe, efficient control of traffic movements, be fully utilized for all appropriate agencies concerned with highway and street transportation and movement.

6. Motor Vehicle Administration: It is recommended that the province adopt sound policies and procedures in the field of motor vehicle administration with special attention to driver licensing, vehicle inspection and other regulatory measures affecting highway safety.

7. Public Information: It is recommended that aggressive, continuing efforts be made by the several media of public information, by all public officials concerned, and by every interested organization to disseminate the facts about highway safety to the public.
